

## Large Fusion® Micro-Adjustable Fixed Wall Display Mount, TAA Compliant **SKU: LSM1U-G**

Chief's upgraded fixed wall mounts are based on installer feedback and direct observations of installers in the field. Many new features join Fusion® favorites like Centerless shift, ControlZone leveling adjustment and ClickConnect Latching.

New benefits included added stability, faster install, improved lateral shift, easier cable management and enhanced security.

Installer-inspired, Fusion® fixed mounts solve top flat panel installation problems, offering flexible adjustments for large displays with a low-profile display mounting solution.

- Integrated teardrop design speeds up wall plate installation by allowing pre-installation of the bolts to the wall
- Centerless Shift provides post-installation lateral shift for limitless centering
- Set screws keep the mount rigid, stable and secure throughout the life of the installation
- ClickConnect offers an audible click when the screen safely engages with the mount
- Built-in cable stand provides easy access under the screen
- A full line of accessories can be installed with the mount and the entire unit can be adjusted together
- Multiple installation options for various stud distances
- Exclusive nesting spacers can be stacked to achieve any depth
- Quick-Store Cords use magnets to easily store and access pull cords
- Improved cable management with new end caps
- Integrated Security
- Ships with a custom hardware kit that can be hung from mount rails if installing in stages

- Easy Open box with less waste to throw away

## Specifications
