DOW TECHNOLOGIES WINS EIGHT QUEST FOR QUALITY AWARDS

DOW Wins Five Platinum Awards for Service and Support Programs

TAMPA, Fla. (April 1, 2026) – DOW Technologies, the leading independently owned technology distributor, is proud to announce that it has been recognized with eight Quest for Quality Awards in CE Pro's annual competition. This is the second consecutive year that DOW has earned eight awards, further solidifying its reputation for excellence in service, support, and innovation.

CE Pro's Quest for Quality Awards recognize companies that deliver outstanding support, training, logistics and operational partnership to the custom integration channel. Winners are determined by votes from CE Pro's readers.

DOW Technologies received recognition across a wide range of service categories, earning:

- **Platinum** – Customer Service/General Communication
- **Platinum** – Shipping Policies
- **Platinum** – Dealer Programs/Incentives
- **Platinum** – RMR Support Programs
- **Platinum** – Social Media Presence
- **Gold** – Website
- **Gold** – Training Programs
- **Gold** – Technical Support

"Receiving these awards from our industry peers means the world to us," said Drew Fischer, vice president, home integration and specialty sales. "Year after year, our team remains deeply committed to providing our dealers with the highest level of service and support, and to be recognized for that dedication is truly humbling."

DOW's consistent recognition across customer service, dealer programs, logistics, and digital presence reflects its unwavering commitment to empowering integrators and small businesses year after year.

"We are deeply grateful to our customers whose continued trust and support make achievements like this possible," said John Yodzis, president & ceo of DOW Technologies. "Everything we do is focused on making it easier for our customers to run and grow their businesses, and being recognized for that impact is a powerful reminder of why we do what we do."

As the custom integration industry continues to evolve, DOW Technologies remains steadfast in its mission to invest in its infrastructure and advance its programs, services, and digital platforms to meet the ever-changing needs of its dealers and partners.
